Week Ten Meeting Log

AI Tutor

Spencer Thompson | Landon Towers

10/26/2025

| What have you done since last team meeting?

- We managed to fix some issues with initializing a fresh instance of the database for development. This was something that was a pain point for a long time.
- We got the local development environment working!
- Additionally, a lot of bugs regarding the development environment and docker containers have been fixed.

| What obstacles are you encountering?

- Designing the infrastructure, has been somewhat difficult.

| What do you plan to accomplish by the next team meeting?

- We will need to have deployed our code to production.
- Getting the local environment working properly.
